

Thomas Steyer: Picture "How Do You Do" (2020)

€2,500.00

The oil painting entitled "How Do You Do" captivates with its abstract expressionist style. Dominated by shades of blue and green in the upper right corner, contrasting with ochre colors in the lower left corner, the artwork creates a dynamic visual contrast. Red accents running through both sections add intensity and vibrancy to the composition. The title "How Do You Do" evokes the original meaning of the verb 'do' as to thrive or prosper, as in a garden in bloom. These contrasts of color and the deeper meaning of the title invite the viewer to reflect on the nature of growth and vitality both in nature and in life itself.
