

Julia Pasinski: Picture "Back again" (2023)

€1,800.00

The image shows flying brent geese flying against the backdrop of a spectacular sunrise. The silhouettes of the geese, dark and defined, stand out powerfully against the colorful sky, which glows in a firework of orange, reds and purples. You can almost feel the cool morning air and hear the gentle flapping of wings and the "rott rott rott" of the geese. The composition of the image conveys a sense of movement and freedom while celebrating the wonder of bird migration. It is a tribute to the perseverance of brent geese and the timeless beauty of each sunrise. The image is signed and dated.
