

Jürgen Born: Picture "Cecile McLorin Salvant" (2024)

€3,255.00

A wonderful singer, heard at the Elbjazzfestival 2023. Especially in concert, Cécile McLorin Salvant casts a spell over the audience - sometimes exuberant, the next moment sensually gentle. She shines on festival stages with her sensitive power band or barefoot, unamplified and a cappella in the Elbphilharmonie - always with that disarmingly honest mixture of suffering and happiness that characterizes Cécile McLorin Salvant. No one who experiences her live remains untouched. Text:Konzerthaus Dortmund
