

Ro: Picture "Print" (2022)

€2,225.00

The image depicts a portrait of a woman in a red dress. The portrait shows the upper part of the body. The background is black. The red dress is decorated with different bird shapes. The woman's hair is hidden under a hood. Her face is pale. The paleness of the face shows a contrast between fashion and the natural beauty of people. The idea of the painting is surrealistic and shows that sometimes people, lured by the beauty of clothes, replace their own natural beauty, hide, lose, fade and own true "I". But sometimes it is also conscious.
