

Andrea Reichhart: Picture "RAFFAELO" (2023)

€2,100.00

RAFFAELO stands for the beauty of clear forms and the elegance of simplicity, which serves as Andrea Reichhart's creative compass. Her pictures convince with a modern and aesthetic simplicity, in which she uses a natural and reduced color palette. "Mixing the colors is a very important and often quite time-consuming process for me. I really like how the blue tones harmonize with the black and light beige in RAFFAELO. You can immerse yourself in its clear, flowing lines and it gives every room a modern and minimalist structure. The work is signed and dated and sealed with an additional varnish. Andrea Reichhart lives in Germany, studied at the Conservatory of the Arts in Amsterdam/Netherlands and has already exhibited her works in Barcelona, Madrid, Zurich and Monaco.
