

Mirek Kuzniar: Picture "Summer in Bargemon" (2023)

€2,040.00

Summer in Provence, southern France. On a warm summer day, people sit comfortably in front of the cafes and bars in the village square of Bargemon and enjoy the sun of the Côte d'Azur. The large trees of the southern French village provide shade. And the water fountain in the middle of the square provides fresh cooling. Oil painting on canvas in spatula technique. Professional stretcher frame of German manufacture, made of coniferous wood. Covered by hand. August 2023.
