

Peter Nottrott: Picture "Stick: Summer Feelings 2" (2025)

€2,890.00

The sun is shining, the flowers are blooming, the crickets are chirping..... Whether it's breakfast outside, walking barefoot, marveling at fireflies, a barbecue with friends or enjoying the sunset with a summer drink: the joy of summer is as versatile as a colorful blooming summer meadow. The beautiful summer feeling inspired me to create this bright painting in the panorama format, for which I mixed blue, red, magenta, pink, orange, yellow, white, violet and green colors on my palette. The painting has painted edges and is signed on the front bottom right by Peter Nottrott and dated with the year of creation.
