

## Heike Schumann: Picture "Speechless unity" (2023)

**€2,200.00**

The artwork "Speechless Unity" is designed in an abstract figurative painting style. The brushstrokes are applied spontaneously and dynamically, which gives the painting a certain liveliness. The color palette consists mainly of blue, earth tones and black. Two women are depicted in the center of the painting, looking at each other over their shoulders. Their bodies are rendered in abstract form, with the artist avoiding detailed features and instead emphasizing the expressiveness of their postures. The women's faces are not recognizable, as the focus is on non-verbal communication. The artist took her inspiration for the design from a studio model. The artwork is a unique piece on canvas and belongs to the style of contemporary art, it is painted with high-quality acrylic paints and signed on both sides by the artist.
