

Bea Schubert: Picture "You Are My Heart No.1" (2025)

My painting captures the delicate essence of love and connection. With this work I want to evoke a feeling of warmth, love and the magic that envelops us in the quiet, tender moments of life. The painting consists of many layers, is painted with high-quality acrylic paint, 30 cm high, 24 cm wide and 4 cm deep. The edges are painted in a dark, warm berry red. It is finished with a protective varnish to protect it from dust and UV light. It is delivered professionally packaged and includes a signed certificate of authenticity. It can be hung immediately.
