

## Yo Franklin: Picture "Bird's eye view" (2015)

**€1,600.00**

My work blends acrylic, chalk and pigment in a vibrant abstract reminiscent of pop art. My vision was to create an energy that inspires the viewer and challenges their perspective. Don't we all dream of flying? Let's take a bird's eye view of our existence. This painting is an emotional experience that combines colors and shapes in a unique way to bring joy and dynamic excitement to any space. Each brushstroke represents the passion with which I created this composition. On request, the painting can be viewed in my studio in Schondorf am Ammersee, near Munich. -framed in an elegant shadow gap, ready to hang immediately - best lightfast pigments - solid handmade stretcher frame with the best fabric - painted with love and passion
