

Monika Gollasch: Picture "Snowdrop on light turquoise blue" (2025)

€750.00

Inspired by nature, I work with plants and flowers. I sketch the shapes of the flowers with ink and simplify them step by step to enlarge them in an exciting detail at the end. By playing intuitively with the colors, I create completely new and fresh combinations. Here, the beautiful, delicate snowdrops are shown abstracted on a blue, dark green background. Acrylic on canvas, painted around the edges and covered with protective varnish. Picture can be hung immediately on the stretcher frame.
