

Peter Nottrott: Picture "Triptych: Positive Energy XXXL 1" (2019)

€18,900.00

Contemporary art in three-part large format - currently one of the two largest paintings ready to hang by Peter Nottrott (as of Aug 2022). Painting with positive Ausstrahlung in extremely XXXL - format, which expresses a lot of liveliness. The multicolored, detailed and tripartite center is made in yellow, orange, red, magenta, pink, beige, brown, green, purple, blue and white tones - from the bottom up becoming brighter. Against the pastel, two-dimensional background, the center seems to unfold in an upward movement. Because of its size, the abstract work is particularly suitable for large rooms with high walls. The painting is signed on the front bottom right by Peter Nottrott and dated with the year of creation.
