

Marit Symalla: Picture "The fear of fear" (2024)

€640.00

Everyone knows the saying "the fear in the neck". That's why I deliberately painted over everything behind the fox in black. Because everyone has it, the fear, some have to fight it every day, others only from time to time. I projected this feeling onto the canvas for myself and created a unique work of art. Acrylic paint on stretched canvas. Signed on the front and back
