

Nicole Leidenfrost: Picture "On the beach in Butjadingen" (2021)

€13,000.00

This artwork captures the vivid beauty of the coastal landscape of Butjadingen. The dunes, grass and water are depicted with dynamic and strong brushstrokes. The powerful composition conveys a sense of movement and energy, bringing to life the wild and natural charm of this northern German coastline. The artwork is in four parts. Material: acrylic and pastel chalk
