

Kunstraum Seitz: Bild "Water lily" (2024)

2.500,00 €

The painting depicts a vibrant seascape dominated by turquoise and blue tones, rendered in an abstract and flowing manner. It is rich in reflections from the surrounding environment, with scattered water lily blossoms discernible. A hint of Monet is evident in the evolved and abstracted rendition of his famous water lilies. The viewer can sense the infinite tranquility and connection to nature, promising a beautiful day and inviting them on a journey of dreams.
